

Product specification

Art.no:	M59223
Product name:	Spice Mix "CHEESE & ONION" BALT
Product description:	seasoning
Usage:	Dosage to taste.
Storage:	Store dry, tightly closed, protected from light and heat.
Minimum shelf life:	12 months from the date of production
Shelf life after opening:	-
Declaration reference:	Dextrose, maltodextrin, salt, onions, paprika extract, garlic, flavoring (contains <u>milk</u>), <u>cheese</u> powder, yeast extract, <u>whey protein</u> , tomatoes, acidulant (E330).
Flavour profile	Cheese, onion
Appearance:	Powder, orange
Microbiological values:	total plate count < 1x10 ⁶ /g molds < 1x10 ⁵ /g yeasts < 1x10 ⁵ /g salmonellae nn in 25 g
Average nutritional values in 100g:	energy [kJ] 1275 energy [kcal] 304 fat [g] 2.8 - of which saturates [g] 0.6 carbohydrate [g] 62.2 - of which sugars [g] 36.5 protein [g] 4.3 salt [g] 20.1
Diets / information:	vegetarian with yeast extract

The nutritional information are non-binding average values and are based on analyzes and values of the ingredients and on the basis of generally accepted data. They refer to the time of sale of the product and may not have the meaning of guarantees on properties. The salt content is in accordance with the provisions of Regulation (EU) No 1169/2011 due to the presence of naturally occurring and added sodium.

Natural products are subject to weather, crop and farming-related, qualitative variations.

Slight variation in color, odor, size, shape, texture, and consistency can not be completely excluded and therefore have no basis for complaints.

We are aware of our responsibility regarding allergens and intolerance-inducing substances to our customers very aware. We take this through a computer-assisted resource control system in modern closed installations that are unique in the industry. This allows us to produce products currently on the highest possible technical standards. However, in serious contemplation cross-contamination with traces of allergenic substances listed in Annex 2 of Regulation (EU) 1169/2011 LMIV not be completely excluded.

The shelf life of the product is defined according to § 7 paragraph 1 of the LMKV and is expressed in terms of the stated storage conditions in sealed containers subject to the indications of nature-related quality fluctuations. All above-mentioned physical / chemical data are averages and do not have the meaning of guarantees on properties. They are not binding and no basis for to warranty or product liability claims. This specification does not replace the incoming inspection of customer. The product meets on the above food law sources beyond the existing European food law.
